

Coaching for Distance Learning

General Support Template

Teacher _____ Date _____

Traction

- Review learning from last session
- Revisit action steps between visits
- Review intended focus for today's session

Coaching Activities

- Check in** on how learning at home is going, how to respond to children's/families' questions or concerns
- Discuss** the week's lesson plans/activities: how to differentiate and assess learning

Between Visits

- Record specific action steps to take between now and next visit
- Reflect on how to incorporate today's learning into practice

Next Visits

- Decide on time/date of next session:

- Send meeting invite for next session
- Record plan for next session
- List resources to prepare or bring
